

Callisto LED Downlights

cryselco.co.uk/cal

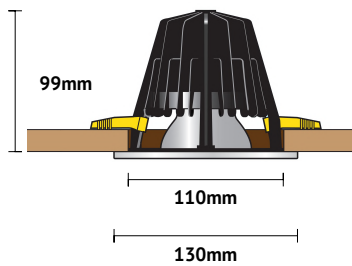

The brand new Callisto range of LED-driven circular downlights (130mm in diameter).

For an additional charge, the Callisto range can be ordered with a wall washer, domed frosted glass or IP54 etched centre glass.

The Callisto complements the Galaxy range (212mm diameter), which is available in 1100 lm and 2000 lm.

Emergency - Maintained emergency conversions are available. Details here.

Dimming - Dimming options are available. Please enquire.
